New Hope-Solebury High School

Call 215-957-7981 for more information  
rainbowroom@ppbucks.org

**The Rainbow Room...**

Bucks County's first and only center for lesbian, gay, bisexual, transgender, queer, questioning youth and their allies (LGBTQA). The center is a safe, supportive and empowering environment for youth ages 14 to 21 where we provide sexuality education, advocacy and recreational activities.

The Rainbow Room has also developed a new peer education theatre program, SPEAK Out! (Sexuality Peer Education and Advocacy Krew). The group uses theatre to entertain, educate and affect change around issues of sexuality, safer sex, sexually transmitted infections and LGBTQ diversity.

**Girlfriends Club...**

an after-school youth development program for girls ages 10 to 15. The Club provides recreation, community involvement and age-appropriate education on sexuality and health topics, including abstinence, contraception, STI/HIV prevention, building self-esteem, positive racial identity, positive responses to peer pressure, and life skills.

**Boys 2 Men...**

meets five days a week providing a safe and drug free haven where 10 to 15 year old boys have an opportunity to learn about and discuss a wide variety of topics including sexual health, risk reduction, peer pressure, responsible decision making, racism and sexism.

**Planned Parenthood**

Association of Bucks County

is the largest provider of reproductive and sexual healthcare in the county. We serve more than 17,000 youth and adults every year at our five health centers: Bristol, Bensalem, Doylestown, Warminster and Quakertown; providing contraception, cancer screenings, confidential STI/HIV testing and counseling, safer sex information, abortion and related services. Sexuality education programs, advocacy and community organizing are part of our outreach efforts.
